

# *Bharat Ko Jano Competition*

## **AIMS AND CURRICULAM**

Bharat, a vast country, is one of the most ancient civilizations of the world. It is the unique country with huge variations in languages, religions, cultures, agriculture, climates, natural resources and even in races spread widely from north to south and from east to west. The unity among large diversities makes it a kaleidoscope in which different colours are arranged in beautiful and harmonious patterns. Once termed as golden sparrow it was the richest country in the world. Glimpses of its wealth & natural resources attracted many foreign invaders, who not only looted its wealth but also destroyed and distorted its rich culture. They destroyed the huge collection of shastras - the treasures of knowledge. The British rulers tried to uproot the centuries old education system which had been used to import & transmit religious, moral & cultural values from generation to generation. They tried to conceal and to eliminate the tales of saints, bravery of warriors, dynasties, kings, scholars, philosophers, scientists etc from the golden pages of Bharat's glorious past. They polluted the minds of the people.

'Bharat Ko Jano' is an attempt by Bharat Vikas Parishad to acquaint the youth with their rich cultural heritage and inculcate among them true and glorious pictures of our motherland, Bharat's prestigious history and present day. This would inspire them to love their country and be proud of it.
