Sub: **Organizing "Bharat Ko Jano Pratiyogita".**

Respected Brothers and Sisters
Sadar Vande Mataram,

As you all know, our flagship program "Bharat Ko Jano" competition is being conducted among the school students every year since 2001. With the efforts and cooperation of office bearers and members at all levels, more than eleven lakh students participated in the written exams throughout the country last year.

In the current year, since all the schools have been opened for the new session, our team is ready to launch our prestigious project with new enthusiasm. We have taken the target to reach 15 lakh students in 2023-24. Our National committee for BKJ projects has decided to conduct the BKJ exam by means of written paper preferably. However Modern digital technology and online tools such as Google form & OMR sheet can also be used at school levels as required. Information related to this is as follows:

1. 'Bharat ko Jano - School level to be organized for school students, both for junior (class 6-8) and seniors (Class 9-12) groups, through their respective schools.
2. The School level, Branch Level and Prant level pratiyogita must be completed as per the following schedule positively.
 - a. Branch level written test (in schools) & inter school oral quiz -up to end September 2023
 - b. Prant (State) level oral quiz - up to end October.
 - c. Region level oral quiz - up to last week of Nov. 2023.

Order for the books to be placed on Central Office as early as possible. Success of our landmark project depends on how fast we are able to distribute our books to the students.

Kindly ensure that these competitions are organized within this period positively, it helps the winning teams of prant/region for getting railway reservation for the regional/national quiz competition.
